Alliance United Web-Site Enhancement

We are continually looking for ways to make your Alliance United experience faster and better.

Effective Monday, December 7 you will be able to void a new business application online for a policy issued the same day! Simply logon to our website and follow these instructions:

- Go to the Reports Tab
- Go to Daily Policy List
- Find the policy issued you would like to void
- Click the Void button
- Enter a valid reason
- Click Ok to proceed

Some examples of valid reasons to void a policy are:

- Wrong effective date
- No down payment was collected
- Broker error

Again you will only be able to void a policy online if it is issued that same day.

Alliance United is committed to the idea of ease of use; look for more enhancements to our website in the near future!
